Canton Plymouth Family Dentistry

Canton Plymouth Family Dentistry increased new patient volume by 20% after switching from Weave to Adit.

Challenges

- **Rising costs** with Weave without added value.
- Declining customer service **response times from Weave**.
- Inefficient workflow due to **lack of automation tools**.

Solutions

Canton Plymouth Family Dentistry_Glimpse_Adit

- Adit provided an **affordable, all-in-one** software solution with **enhanced automation**.
- Advanced **communication tools** like automated texting and appointment confirmations.
- **Stronger online presence** with review management and patient engagement.
