(Formerly Enterprise Dental)

Mendota Heights Family Dental

How replacing Lighthouse 360 with Adit led to 40% more bookings for Mendota Heights Family Dental

Challenges

- **Fragmented systems** across phone, reminders, and EHR.
- **Manual appointment** recalls and paperwork.
- **Limited accessibility** and no remote communication tools.
- **Inconsistent customer support** from previous vendor.

Solutions

- **VoIP Phones** customized call routing and increased accountability with call recording.
- **Two-Way Texting & Automated Reminders** saved time, improved communication and increased appointment rates.
- **Digital Patient Forms** reduced paper usage and saved significant hours weekly in admin time.
- **Integrated eFax** eliminated fax machine, improved document handling and freed up counter space.
- **Mobile App** allowed providers to check schedules and respond remotely when needed.
- **Practice Analytics** helped monitor monthly performance and team output.

> If you want an all-in-one system where you're paying for one thing, with seamless communication, full integration, and great customer service, Adit is absolutely the way to go.
